

Introduction to Alfie Moore

It is my pleasure now to welcome Alfie Moore who is a Humberside police officer (currently on a career break) as well as being a humorous speaker, writer and broadcaster.

His television appearances include: Show Me the Funny, Bizarre Crime, Confessions of a Copper and The Wright Stuff. He was in Life: An Idiot's Guide to Crime & Punishment, has several times been a pundit on Sky News and writes and presents his own BBC Radio 4 comedy series 'It's a Fair Cop'.

Following a total sell-out Edinburgh Festival in August and a successful national tour, with his one-man show, please join me in giving a very warm welcome to Alfie Moore.
